

Old Testament  
August

Dear Miss Conway

So accept my thanks —  
but grateful thanks for  
your fore-thought yesterday.

There was no time for  
me to slip into the frock  
I brought — but I do  
appreciate your kind card  
for the College Club.

I was so glad to hear  
you "Humble mention" too.

If I were a Committee  
I should not stop there!

I have been such a  
vice reunion up there -  
and done the job - and  
may all the Spring and  
Summer be good to you.

Sincerely  
Martha Birch
